FROM THE CHAIRMAN

Fellow Democrats,

Welcome to the 46th Annual Atlantic County Democratic Convention! I must confess this is not the Convention we envisioned having one year ago when we were all gathered at Seaview Resort in Galloway Township. Nevertheless, despite the COVID-19 pandemic, the work of our party continues.

The Biden-Harris Administration has already hit the ground running to rescue our economy, combat climate change, and bolster civil rights. Over the past four years, Governor Murphy has fulfilled his promise to create a stronger and fairer New Jersey for everyone. In Atlantic County, our party is so fortunate to have many state, county, and local elected officials fighting to improve our quality of life. In these tumultuous times, Democrats are the ones getting things done.

This upcoming year will provide unique challenges for our party. As more and more individuals get vaccinated and the economy continues to reopen, it is incumbent upon all of us to remind voters that it was Democrats, led by President Biden and Governor Murphy, who delivered on rapid vaccine distribution, aid for small businesses, and unemployment relief for those out of work. Democrats have led us through this crisis, but it will also be Democrats who will lead us to prosperity after the pandemic. That's why we should all be proud of our Democratic Party.

Best wishes,

KEYNOTE SPEAKER

REP. MIKIE SHERRILL (NJ-11)

Congresswoman Mikie Sherrill proudly represents New Jersey's 11th Congressional District.

After graduating from the United States Naval Academy in 1994, Congresswoman Sherrill spent almost 10 years on active duty in the United States Navy. She flew missions throughout Europe and the Middle East as a Sea King helicopter pilot, worked on the Battle Watch Floor in the European Theater during the Iraq invasion, and served as a Flag Aide to the Deputy Commander in Chief of the U.S. Atlantic Fleet. Congresswoman Sherrill also served as a Russian policy officer and worked on the implementation of our nuclear treaty obligations and oversaw the relationship between the U.S. Navy and Russian Federation Navy.

Congresswoman Sherrill attended law school after leaving the Navy in 2003, earning a degree from Georgetown University. She worked as a lawyer and eventually joined the U.S. Attorney's Office in New Jersey. As an Outreach and Re-entry Coordinator, Congresswoman Sherrill developed programs to help prevent crime in the community. These programs developed trust between law enforcement and the communities they serve and helped people leaving prison to gain employment, housing, and education in order to restart their lives. As an Assistant U.S. Attorney, Congresswoman Sherrill worked to keep our communities safe, prosecuting federal cases and advising law enforcement on investigations.

Congresswoman Sherrill holds a Bachelor's degree from the United States Naval Academy, a Master's degree in Global History from the London School of Economics and Political Science, and a Law degree from Georgetown University.

Congresswoman Sherrill sits on the House Armed Services Committee, the House Science, Space, and Technology Committee, and the House Education and Labor Committee.
